

Fractions Flash Cards (Cards)

By -

McGraw Hill Children's Publishing, United States, 2006. Cards. Condition: New. Language: English. Brand new Book. Instill a strong understanding of math skills with a fun hands-on resource. With Brighter Child(R) Fractions Flash Cards, children are presented with an easy way to practice important skills. This 54-card set includes a card for fractions from a whole to ninths, along with images that represent each fraction. These images act as a visual representation of the fraction in order for young learners to better understand what it looks like. This flash card set also includes a card to teach basic mathematical symbols and a bonus game card. Brighter Child Flash Cards provide kids from kindergarten to fifth grade with a fun, hands-on way to reinforce important skills. Each set can be used as review cards or for creative fun games that allow children to play and learn. Each set includes 54 flash cards, often with bonus cards that offer games and extra help. Flash cards also allow children to develop thinking, decision-making, turn-taking, and social skills.
